

ACCELERATE Multistakeholder Paediatric Platform

# 5<sup>th</sup> Annual Paediatric Oncology Conference

**SAVE THE DATE**

**2-3 March 2017 | Brussels, Belgium**

ACCELERATE, a platform of all stakeholders caring about accelerating new oncology drug development for children and adolescents, invites you to the 2017 edition of the ACCELERATE Paediatric Conference (formerly known as CDDF-ITCC-SIOPE Paediatric Conference) taking place on 2-3 March 2017 in Brussels, Belgium.

### Why should you attend ?

- To discuss successes and failures in paediatric development, and share new initiatives in clinical development
- To discuss the strategies to accelerate new oncology drug development
- To share and discuss the 10 years' report and changes in the regulatory environment
- To share and harmonize with the US, Canada, Japan, and Australia
- To further strengthen the collaboration between all stakeholders at international level (Parents, Academia, Regulators, Pharmaceutical Industry)

The conference is part of a unique multi-stakeholder joint initiative, the ACCELERATE multi-stakeholder Platform. Co-organised by CDDF, ITCC and SIOPE, this platform provides a transparent forum enabling patients and parents' organisations, academic paediatric oncologists and haematologists, pharmaceutical companies and EU regulatory network representatives to collaborate and jointly address specific obstacles to a faster and more effective treatments for children and adolescents with cancer, including the needed changes to the Paediatric Medicines Regulation.

### Who should attend?

Anyone interested in developing new life-saving medicines for children and adolescents with cancer.
